

Thanking the volunteer organization.

Remember that you can't say "thank you" enough. Whether in a receipt, a letter, a phone call or in person, saying thank you should be at the heart of your volunteer strategy.

As the world changes and citizens find new freedom, the desirability and need for individual voluntary involvement in society has become even clearer. For many of us, no matter what type of organization you work with, it ignites our passion and becomes a long-term profession and vocation.

"I challenge a new generation of young Americans to a season of service -- to act on your idealism by helping troubled children, keeping company with those in need, reconnection our torn communities. There is so much to be done."

-- Bill Clinton, inaugural address,
January 1993
